AgroInvest Foundation Serbia announces vacancy for the position of

United Voices for Children Project Manager

Purpose of the Position
The purpose of this position is to implement and manage actions and the value chain of these actions to fulfill AgroInvest Foundation Serbia’s grant obligations under the project “United Voices for Children”.

“United Voices for Children” (2015-2018) is financed by the German Federal Ministry for Economic Cooperation and Development (BMZ), through World Vision Germany and AgroInvest Foundation Serbia. The project partners are 7 ChildPact members coming from the Western Balkans, Eastern Europe and South Caucasus.

The project aims to contribute to child well-being, protection and rights through strengthening civil society organizations, so that they have the expertise and the mission to solve the complexities that inhibit progress and the government has the ability to finance and scale up effective interventions. As important part of the civil society, regional coalitions of child-focused NGOs, strengthened and united under the ChildPact, will make use of their expertise and joint power to monitor and influence government actions on behalf of the vulnerable children.

Main project activities are:

- Increase the visibility of national coalitions through training, coaching programs, roundtables and field trips for journalists, create and implement strategies for celebrity and business engagements, develop minimum operational standards and building long-term funding habits;
- Create an evidence base for advocacy and policy engagement by developing a Child Protection Index in each participating country. The Index will capacitate national coalitions to build policy recommendations based on regional snapshots and national comparisons;
- Advocate effectively at national and regional level by increasing the political and diplomatic engagement with stakeholders and by organizing learning events, mentoring sessions and capacity exchanges;

Scope of Position
Managing United Voices for Children project on a daily basis, with major responsibilities in planning, human resource management, implementation and control. Help carry out AgroInvest Foundation Serbia’s mission, vision and strategies.
